<sup>1</sup> The mere fact that entity in which the person subject to this Decision has a financial interest could potentially be investigated by the EPPO at certain time after the submission of the declaration does not give rise, *ab initio*, to a conflict of interests. Where such conflict actually occurs at later stage, in addition to the application, for the members of the College and the European Delegated Prosecutors, of the provisions of Article 69 from the Internal Rules of Procedure, the person concerned shall submit a new declaration of interests, as required by paragraph 4 of Article 1.

<sup>2</sup> Please specify, in alphabetical order, the name of each entity (e.g. company/bank/investment fund) and the type of interest (e.g. shares, bonds, investment certificates, deposits, loans etc.) in which you have a direct financial interest within the meaning of Article 1 of the Decision 103/2021 of the College of the EPPO, as amended and supplemented by Decision 010/2022 of the College of the EPPO. If there are no such financial interests, specify "N/A (not applicable)." Entities in which the declarant owns holdings managed on a discretionary basis by a third party, such as insurance or private pension funds, as well as deposits or savings which do not represent a financial interest within the meaning of Article 1 of the Decision 103/2021, do not have to be declared.
