The European Public Prosecutor's Office ('EPPO'), hereinafter referred to as "the EPPO", and

The Federal Prosecution Service of Brazil, hereinafter referred to as "the MPF",

hereinafter collectively to as "the Parties" or individually as "the Party",

Having regard to the provisions of the Council Regulation (EU) 2017/1939 of 12 October 2017 implementing enhanced cooperation on the establishment of the European Public Prosecutor's Office ('the EPPO'), hereinafter referred to as "the EPPO Regulation", and in particular Articles 99 and 104 thereof,

Having regard to the provisions of the Brazilian Federal Constitution of 1988, in particular Articles 127 to 130, and of the Complementary Law N<sup>o</sup>. 75, of May 20, 1993, that provides for the organization, duties, and statute of the Brazilian Federal Prosecution Service (MPF);

Considering the will of the Parties to establish a close cooperation with a view to protecting by investigative and prosecutorial means the financial interests of the European Union and of the Federative Republic of Brazil, and to fight corruption, organised crime and other forms of serious crimes,

Considering the desire of the Parties to establish mutually close cooperation in investigations and prosecutions,

Taking into account that the EPPO is an independent body of the European Union (EU) that investigates and prosecutes cases in the participating Member States,

Acknowledging that the European Delegated Prosecutors of the EPPO are at the same time active members of the public prosecution service of their respective Member States and have the same powers as the national prosecutors in their respective Member States,

Considering, therefore, that, within its mandate, the EPPO may cooperate in criminal matters with the Brazilian competent authorities either on the basis of the international agreements to which the European Union and/or its participating Member States are parties, or on the basis of reciprocity or in accordance with the law of the Federative Republic of Brazil,

Acknowledging that, in accordance with Article 99(3) of the EPPO Regulation, this Working Arrangement does not form the basis for allowing the exchange of personal data,

Taking into account the competence of the MPF and the competence of the EPPO to investigate, prosecute and bring to judgment perpetrators of transnational crimes against the financial interests of the European Union,

Aiming to facilitate cooperation in criminal matters and, especially, exchange information relevant to ensure effective investigation and prosecution between the Parties, in full respect of the fundamental rights,
