1. Application procedure

Please refer to the Vacancy Notice, under 'How to Apply' for detailed application instructions.

- **Eligibility:** Candidates are required to carefully check, in advance of submitting an application, whether they meet all the eligibility requirements depending on the type of selection: external, internal or inter-agency – particularly concerning the required types of diplomas and professional experience, the language requirements, as well as type and grade of contract.
- **Security clearance:** For positions for which security clearance is required, the candidate must either be a holder of a valid security clearance up to the level of "SECRET UE/EU SECRET" or be willing to undergo the national security vetting procedure, in order to be allowed to perform the job.
- **Language:** English is the working language for the operational and administrative activities of the EPPO, as established by the Decision 002/2020 of the College of the EPPO of 30 September 2020 on Internal Language Arrangements. **All applications must be in English.** Interviews will be conducted in English and, where applicable, in any other language required and specified in the Vacancy Notice.
- **Application form:** Applications not submitted using the official EPPO application form, and those that are incomplete, illegible, or not submitted in PDF format, will be considered ineligible and will be disqualified.
- **For External selection:**
 - **Professional experience:** Any given period of studies or professional experience may be counted **only once**. To be considered eligible, periods of studies or professional experience **must not overlap** with other periods of studies or professional experience. For example, if an applicant held a full-time job and carried out freelance consultancy work in the evenings and weekends, the time spent on the latter will not be added to the overall period. In case of part-time work, professional experience will be calculated **pro-rata**, in line with the workload declared by the applicant. Compulsory military service or equivalent civilian service, completed either before or after obtaining the minimum qualification, shall be taken into account as professional experience, subject to the provision of appropriate supporting evidence.
 - **Education:** Only qualifications awarded in EU Member States, or those covered by

equivalence certificates issued by the competent authorities of EU Member States, will be taken into consideration. Candidates holding lower-level diplomas awarded outside the EU (e.g. Bachelor's degrees), together with higher-level diplomas awarded by a university in an EU Member State (e.g. Masters' Degrees), may not be required to obtain recognition of their lower-level diploma(s).

UK diplomas awarded before 31/12/2020 may also be recognised without the need for an equivalence certificate. For diplomas awarded in non-EU countries, a NARIC recognition is required.

PhD studies may be counted as professional experience only for candidates who received a study grant or salary throughout the duration of the PhD programme, up to a maximum of three years, and provided that the programme has been successfully completed by the application deadline.

- **Supporting documents:** Certified copies of degrees and diplomas, references, proof of experience, and similar documents should not be submitted at the initial stage. These documents may be requested at a later stage of the procedure.
- **Application deadline:** Any application submitted after the application deadline will be disregarded. Applicants are strongly advised not to wait until the final day to submit their application, as heavy internet traffic or technical issues may result in submission difficulties. The EPPO cannot be held responsible for any delays caused by such circumstances.

Please note: Due to the high number of applications received in each selection procedure, **only candidates shortlisted for interview will be contacted**. All candidates will be informed when the selection procedure is closed.

2. Selection procedure

- **Assessment of applications:** Applications are assessed by a Selection Board against the eligibility requirements and the selection criteria set out in the Vacancy Notice.
- **Interviews and written tests:** Up to a maximum of thirty (30) candidates who best match the required profile and who have achieved at least 60% in the application evaluation will be invited to an interview with the Selection Board and to sit a written test. Candidates included on the reserve list are those who best match the required profile and who have achieved at least 60% of the maximum score in the combined interview and written test.

Candidates on the reserve list may be considered for positions within the EPPO or, subject to the EPPO's agreement, within another EU body or agency.

- **Second (follow-up) interview:** In accordance with the applicable rules, candidates placed on the reserve list may be invited to a second (follow-up) interview with the Administrative Director.

In accordance with Articles 11 and 11a of the Staff Regulations and Article 11 of the Conditions of Employment of Other Servants of the European Union (CEOS), **the successful candidate shall be required to submit a declaration of interests** prior to recruitment.

The Appointing Authority shall examine whether the successful candidate has any personal interest that may impair their independence or give rise to a conflict of interest in relation to the position offered and shall adopt appropriate measures where necessary.

All applications are treated fairly. Applicants will be assessed on the basis of their qualifications, in strict compliance with the principle of equal opportunities, with a view to achieving the best possible match between the candidate's profile and the requirements of the position.

Under no circumstances may candidates contact the Selection Board, directly or indirectly, in relation to this selection procedure. The Appointing Authority reserves the right to disqualify any candidate who fails to comply with this instruction.
